

November 13, 2014 · IEC Expocentre · Moscow

**APPLICATION FORM for participation in the International Forum
«Energy Efficiency and Automation
in Commercial Buildings 2014 – How it can be done in Russia»**

Please fill in, sign and return to the Organizer:
"Messe Frankfurt RUS" Ltd. (hereinafter – the "Organizer")

Alena Chulkova
Tel.: +7 (495) 649 87 75
Fax: +7 (495) 649 87 85
E-mail: Alena.Chulkova@russia.messefrankfurt.com

1. Visitor of the Forum (hereinafter – the "Visitor"):			
Name of company _____			
Contact person(s) _____			
Postal address:	Country _____	ZIP Code _____	City _____
Street, house No. _____			
Phone _____	Fax _____		
country code	city / area code	number	country code city / area code number
E-mail _____	Website _____		

2. Product groups <i>(please indicate the percentage in your general product profile):</i>			
<input type="checkbox"/>	Control systems	<input type="checkbox"/>	Measurement technology
<input type="checkbox"/>	security and surveillance systems	<input type="checkbox"/>	engineering systems and networks
<input type="checkbox"/>	Fair alarm technology	<input type="checkbox"/>	lights, radio, and staff call system
<input type="checkbox"/>	Information communication systems	<input type="checkbox"/>	Other: _____

3. Your company's activities <i>(please tick all applicable boxes):</i>		
<input type="checkbox"/> Production	<input type="checkbox"/> Service	<input type="checkbox"/> Other (please specify)
<input type="checkbox"/> Trade	<input type="checkbox"/> Press	_____
<input type="checkbox"/> Representative office	<input type="checkbox"/> Association	

4. Information about your delegates:	
Surname, Name _____	
Job title _____	
E-mail _____	Phone _____

5. How did you learn about the Forum <i>(please tick all applicable boxes):</i>
<input type="checkbox"/> Attended the previous editions of the Forum

November 13, 2014 · IEC Expocentre · Moscow

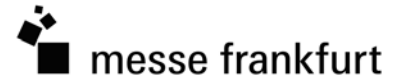

- Exhibitor of Interlight Moscow powered by Light + Building 2014
- Exhibitor of the previous editions of Interlight Moscow powered by Light + Building
- Visitor of Interlight Moscow powered by Light + Building
- Visitor of Light + Building in Frankfurt-am-Main
- Internet (*please specify the web-sites*): _____
- Media (*please specify*): _____
- E-mailing
- Postal mailing
- Telemarketing
- Professional organisations (*please specify*): _____
- Via colleagues
- Other (*please specify*): _____

6. Participating in Speed-dating

During 10-minutes direct personal meetings with the representatives of companies - AEB members of Energy Efficiency Committee – acquaint you with their decisions in the sphere of energy efficiency and support you with your questions. The speed-dating will be after the Forum sessions.

In order to make your personal time-table, please, mark the point of the companies with whom you want to meet.

<input type="checkbox"/>	<u>Alfa Laval Potok</u> Russian representative of the International Engineering group Alfa Laval - a world leader in heat transfer technology.
<input type="checkbox"/>	<u>Baker & McKenzie</u> Our Russian Climate Change and Energy Efficiency Practice was one of the first of its kind to be established and is now one of the most dynamically growing practices in the field of climate change and energy efficiency in Russia and the CIS.
<input type="checkbox"/>	<u>Bayer AG</u> EcoCommercial Building program – an intelligent concept with competences and solutions in: 1) Building envelope 2) HVAC 3) Energy efficiency and sustainability 4) Comfort and design 5) Construction
<input type="checkbox"/>	<u>BSH Bosch und Siemens Hausgeräte GmbH</u> BSH Group as leading home appliance manufacturer in Europe has focus on development and production of super-efficient products to decrease electricity and water consumption.
<input type="checkbox"/>	<u>Legrand</u> Legrand is the global leader of electrical and digital building infrastructure, providing cost effective solutions to increase Energy Efficiency into industrial, commercial and residential buildings.
<input type="checkbox"/>	<u>Lindab Buildings</u> Lindab Buildings (part of Swedish Lindab Group) is the leading European manufacturer of complete steel building solutions.
<input type="checkbox"/>	<u>CMS Russia</u> CMS can offer creative solutions on corporate, tax, customs and contractual structuring for

November 13, 2014 · IEC Expocentre · Moscow

<input type="checkbox"/>	<u>FENICE RUS</u> Through energy service contract FENICE RUS provides tailored energy efficiency solutions to industrial clients operating in various industries.
<input type="checkbox"/>	<u>Schneider Electric</u> Schneider Electric provides technology and integrated solutions to optimise energy usage in markets like energy & infrastructure, industry, data centres, buildings and residential.
<input type="checkbox"/>	<u>ECOTEAM</u> ECOTEAM works in the field of legal EHS (Environment, Health, and Safety) and legal energy efficiency consulting.
	ESCO/EPC projects to attract financing and secure both ESCOs, banks and clients (public and private)' interest.
<input type="checkbox"/>	<u>Saint Gobain</u> The world leader in the habitat and construction markets, designs, manufactures and distributes building materials, providing innovative solutions to meet growing demand in emerging economies, for energy efficiency and for environmental protection.

Please, be informed, that the list could be changed by Organizers.
