REGULAR PUBLICATIONS 2020

Publication	Cover	Description	Release
<p>Business Quarterly</p>		<p><i>Business Quarterly</i> is the AEB flagship magazine.</p> <p>It covers topics related to the most burning issues which foreign businesses have to address when operating on the Russian market. Articles are submitted by AEB Committees' members. Forewords are provided by state authorities.</p> <p>Likewise, the publication contains AEB updates, information from member companies on their most recent developments and appointments, brief description of new members.</p>	<p>quarterly</p>
<p>Real Estate Monitor</p>		<p><i>Real Estate Monitor</i> is a quarterly magazine which reviews Moscow and St. Petersburg real estate markets.</p> <p>It accumulates information about capital, retail, office, warehouse, hospitality and housing markets.</p> <p>The magazine is broadly illustrated with detailed graphs and tables.</p> <p>It is released in print form (March and September) and as online versions (June and December).</p>	<p>quarterly</p>
<p>How to Invest in Russia</p>		<p>The annual guide covers business, financial, legal, tax, corporate and other aspects of investments. It also provides insight into investments by regions and by industries, as well as into opportunities and challenges when localising in Russia.</p> <p>Traditionally, the magazine comprises a foreword by the Minister of Economic Development of Russia, and an article by the Federal Antimonopoly Service of Russia.</p>	<p>annually</p>
<p>European Business in Russia: Position Paper</p>		<p><i>Position Paper</i> accumulates precisely articulated views and concerns provided by Committees and Working Groups on specific issues which companies need to address while conducting business in Russia, and offers clear recommendations.</p> <p>The book is published in English and Russian.</p>	<p>annually</p>
