Agenda:

1. What are the current scales and key issues of the waste market in Russia?
2. Who are the key public, private commercial, and non-profit actors in this market? How do they interact with each other in the context of waste market reform?
3. At what stage is the infrastructure for waste collection, sorting, and recycling?
4. How do the markets for industrial waste and solid municipal waste differ?
5. How can companies implement separate collection, removal and disposal of waste?
6. How can companies having zero waste objectives collaborate to achieve common goals?
7. Other matters

18:00-18:30 Independent transfer to environmental center "Sborka", 5 Potapovsky lane, p. (8 minutes' walk)

18:30-19:30 Excursion to the environmental center "Sborka" in the interactive recycling museum

19:30-20:00 Networking in the lecture hall of the environmental center "Sborka"
