Five-star “City Resort” style hotel Solo Sokos Hotel Palace Bridge is reopening!

Solo Sokos Hotel Palace Bridge is happy to offer an alternative to a beach vacation in the very heart of St.Petersburg and invites guests to enjoy high-quality hospitality and to relax in the Palace Bridge Wellness Club aqua zone!

The main attraction at Solo Sokos Hotel Palace Bridge is the unique wellness center with a GYM, a SPA and an aqua zone with the largest in the city center pool and sauna facilities. During the self-isolation period the wellness club underwent a substantial renovation and now offers updated Russian banya and saunas and a clear pool with the fully replaced water filtration system. Palace Bridge Wellness Club offers active quality pass-time in a unique location in the heart of St.Petersburg!

324 spacious rooms overlooking the romantic St.Petersburg roof-tops are equipped with everything needed for a comfortable stay both for solo travelers and for those who spend their vacation with the big family. Hotel location offers easy access to the historic part of St.Petersburg – the Spit of Vasilievsky Island, the Palace Bridge with the magnificent view of the Neva River, and the Palace Square are all within walking distance.

As always safety and wellbeing of our guests are our key priorities. We are proud of complying with the highest cleanliness standards at our properties. We have also implemented additional measures in line with Rospotrebnadzor and medical authorities recommendations and provide for the safety of each guest within the Sokos Hotels in St.Petersburg and show high-class hospitality.
