# Security

FIFA WORLD CUP  
RUSSIA 2018

# Main Goal

- ◆ Government of Russian Federation is fully responsible for implementation of all necessary measures required to provide safety and security of teams, spectators, guests, FIFA subsidiaries inside and outside the stadia and at other event locations
- ◆ To ensure security of the events all assets and capabilities of the Russian Federation will be available
- ◆ Main goal of LOC - *to make the implemented measures transparent and as less intrusive as possible*

# Security Services for Spectators

- ◆ Code of conduct
- ◆ FAN ID
- ◆ Stewards (1500-2000 security employees at each stadium)
- ◆ Contacts and dialogue with organized groups of fans from different countries (flags, banners, performance and organized marches)
- ◆ Fan Embassies in Host Cities

# Special Security Services for Teams

- ◆ Team Security Liaison Officers (accompany team delegations during their official stay in Russia and resolve problematic issues)
- ◆ Bubble-to-Bubble — special secure transportation procedure for organized groups of passengers (teams)
- ◆ Round-the-clock security of Team accommodation sites (LOC Security Coordinator, Security Commander, LOC security guards, hotel security guards, police)
- ◆ Police escort on official routes
- ◆ SWAT escort
