Kuehne + Nagel's insurance broker subsidiary Nacora: opening of insurance agency in Russia

- Risk consulting and commercial insurance solutions in transport and logistics
- Almost 50 years of experience in international insurance brokerage

Moscow, RUS, October 04th, 2018 – The Swiss-based international commercial insurance broker Nacora expands its global network with an insurance agency in Russia, which started operating on 6 September 2018.

Nacora, headquartered in Schindellegi, Switzerland, is a subsidiary of Kuehne + Nagel, one of the world's leading logistics companies, and has specialized in the provision of risk consulting and commercial (marine and non-marine) insurance solutions, products and services for almost fifty years.

Among the customized insurance and risk management solutions offered by Nacora are commercial insurance brokering, risk management consulting with specialised expertise in marine cargo, logistics liability and trade credit insurance supporting industry and trade.

Perry Neumann, President Cluster Russia + CIS and General Director Kuehne + Nagel (LLC), comments: "Owing to our longstanding experience in the global transportation industry, we have unique specialist capabilities and resources in the design and management of insurance programmes for the transportation and logistics industry with specialised marine expertise. We offer a one-stop shop for the commercial cover of all the business needs of our customers, including claims handling service from accident to settlement, enabling considerable time savings on document flow with insurers. We are, therefore, very confident that our customer-oriented solutions will be met with good acceptance on the promising Russian market."

About Kuehne + Nagel
