

3rd Eurasian WEEE Solutions Congress
27-28 March 2018, Moscow, Russia
Hotel Royal Radisson
26. March 2018 WEEE Workshop

Meet the Eurasian Scrap and WEEE Industry EWEEES and Moscow International Recycling EXPO

Dr. Viktor HAEFELI
 President of EWEEES
 Member of the
 supervisory board of
 RUSLOM.com

It is a great pleasure to announce **The 3rd Congress of Eurasian Waste Electrical Electronic Equipment Solutions** taking place in **March 27.- 28. 2018** in Moscow, Russia.

NEW!!! On the **26. March** we are going to perform in cooperation with University MISIS the **WEEE workshop**.

The EWEEES is an efficient key-platform for opportunities, solutions and challenges in the EAEU; for maintaining and developing the important economic contacts with the authorities, producers, recyclers, scientists, associations, NGO's and media.

The fastest growing part of the municipal solid waste stream contains old electrical and electronic goods and has valuable waste (gold, silver, copper, aluminium, iron) but also toxic heavy metals and compounds.

The EAEU is the **new and fast growing recycling market** and generates about **1'500'000 t of WEEE** per year with a value over **400'000'000 Euro** each year.

The WEEE collection is the most important to start an ecological and efficient recycling.

Roundtable at EWEEES with main stakeholders of the market with the main topic: **"How to start and who is responsible for efficient and save WEEE collecting"**.

The **main topics** of the congress are:
WEEE collecting, Implementation and solutions of the Eco Fee, WEEE situation in the EAEU, legislation and standards, Best Available Technologies for recycling and win valuables out of WEEE, build up the market of recycled material.

We are looking forward to meet you in **Moscow - a town of pioneers and success stories!**
