

## VEGAS LEX AT MOSCOW UNIVERSITY'S CAREER WEEK, FIRST STEP 2016

**On October 24–28, 2016, Moscow State University (MSU) will hold its regular Career Week, First Step 2016, with VEGAS LEX hosting a workshop for young lawyers and a poster session for employers.**

On October 24–28, 2016, the Career Center of Lomonosov MSU Faculty of Law is organizing its annual Career Week, First Step 2016\*. The Career Week includes a series of interesting and useful counselling and educational events prepared by Russian and international firms, and meetings with practicing lawyers devoted to employment of students and new graduates.

On October 25, VEGAS LEX will participate in a poster session where students will have an opportunity to meet their potential employers. The law firm partners will share legal career advice and CV writing tips, and discuss advantages and specifics of consulting and in-house services.

On October 28\*\*, Partner, Head of Energy practice [Evgeniy Rodin](#) (a Lomonosov MSU graduate) will give a lecture, *How to choose your practice area or should a lawyer have universal specialization?*

The Career Week will also feature a vacancy fair; and an employment guide for students will be released containing complete information about the participating companies.

\*\*\*

*\* The Career Week is a great opportunity to identify one's career preferences, to submit CVs, fill out application forms for internships, attend presentations and workshops, and get useful information about a company directly from its representatives.*
