

We are pleased to invite you to participate in PwC webinar "**Tax risks of your Russia-related business**" which will be delivered on **Thursday, March 2, from 5 pm to 6:30 pm (Moscow time)**.

During our webinar, we will introduce to you our presentation on current changes in the Russian tax law that may have an impact on Russia-related business of foreign companies and their deals with Russian counterparties. We see that Russian tax authorities are now paying much attention to global tax structures while searching for tax evasion through using low tax jurisdictions. Therefore, activity of foreign companies in Russia are now facing additional pressure.

Our presentation provides brief overview of the two major tax issues:

- **Beneficial ownership concept;**
- **Permanent establishment risk exposure in Russia.**

You may use a simple [checking tool](#) for tax risk assessment in order for your company to take prompt measures for tax risks mitigation and control.

During our webinar, we would discuss these two Russian tax issues in more details. Webinar would be in English.

Participation is free of charge. If you would like to take part, please, RSVP by registering individually here <http://pwcrossia.ru/events/index.php/616337> not later than **1 March 2017** (afterwards we will send you a link).

To get detailed agenda or additional information about the event, please follow the link pwc.ru/en/events/2017/tax-risks-russia.html or contact Lilia Abidullina at client.events@ru.pwc.com or on +7 (495) 967-6493.
