

Full-Day Pre-Nursery Now Open at Krylatskoe Campus

We are thrilled to announce that our Pre-Nursery Class (for children aged 2–3) at the Krylatskoe Campus is now open for full-day sessions.

This exciting expansion means our youngest learners will now benefit from extended opportunities to play, explore, and grow in a nurturing and stimulating environment. In addition to a rich programme of early years learning experiences, children will also have the chance to rest and sleep during the day, all within the familiar and caring surroundings of their school.

Our full-day offering has been designed with the developmental needs of young children in mind, supporting families who are seeking a high-quality, holistic early years experience.

We look forward to welcoming new families to our vibrant community and helping our youngest students flourish from the very beginning of their educational journey.
