## Doing Business in Russia Guide by Bellerage Alinga: updated version

Bellerage Alinga is happy to present the updated version of our Guide to Doing Business in Russia. Foreign companies and entrepreneurs can quickly obtain an overview of the most important legal and fiscal aspects for commercial activities in Russia. Its compact format makes it suitable for executives considering entering the Russian market or expanding their activities there.

Doing Business in Russia is published in 4 languages: [Russian](#), [English](#), [German](#) and [French](#).

Bellerage Alinga is price-quality leader in accounting outsourcing and No. 1 in 1C-based automation and process optimization solutions for international companies in Russia. We provide our clients with Accounting Outsourcing, Audit, IT-, Tax- and Legal Consulting. We are a founding member of XLNC, an international association of independent accounting, law and management consultancy practices.
