Press Release

VITALY MOZHAROWSKI NAMED A KEY RUSSIAN COMMERCIAL REAL ESTATE MARKET MAKER BY CRE-100 2019

Vitaly Mozharowski, Real Estate and Construction Partner at Bryan Cave Leighton Paisner Russia (formerly Goltsblat BLP in Russia), came in second among the top legal advisers in CRE-100 2019, ranking the most influential people on the commercial real estate market.

CRE-100 2019, produced by the editorial team of the Commercial Real Estate magazine, a top national property market publication, is a truly coveted annual industry league table in Russia. It takes stock of a firm's general performance, professional wins by its lawyers and their personal contribution to shaping the market over the past year, then picks out the 100 most eminent persons on the commercial real estate market.

Vitaly Mozharowski has led the firm's Real Estate and Construction Practice, one of the biggest legal teams on the market, for over two decades. During this time, the Practice has won broad recognition within the professional community, as can be seen from the team's numerous awards, brilliant reputation and top positions in the leading international and national rankings. The team is now one of the busiest on the Russian legal market.

Bryan Cave Leighton Paisner LLP was created by the global merger between Bryan Cave and Berwin Leighton Paisner, including its Russian practice Goltsblat BLP, which was one of the biggest transatlantic mergers in the history of the legal business. These days, as part of a major global law firm, the BCLP Real Estate and Construction Practice is the fourth biggest in the world by the number of partners working on pure real estate matters (according to The Lawyer's Global 200 Real Estate Report).

Spearheaded by **Vitaly** and leveraging his competent involvement, the Practice continues advising its strategic clients on high-profile construction projects, including **Nord Stream 2 AG** on Russian law aspects of laying the Russian section of the **Nord Stream 2** gas pipeline on the Baltic Sea bed; **South Stream Transport B.V.** on construction of the Russian section of the Turk Stream pipeline from Russia to Turkey; and **Sheremetyevo International Airport** on its large-scale reconstruction project.

In 2018-2019, the Practice also advised **UFG Real Estate Russia/Orientir Group** on selling part of Logopark Sever-2 to Raven Russia; **Barlands Holdings Limited** on selling the former Hotel Tsentralnaya in the centre of Moscow; **Globus** on expanding its operations on the Russian market; **eBay, Procter & Gamble, Tommy Hilfiger & Calvin Klein, Kimberly-Clark and others** on leasing their national headquarters in Moscow; **Invest AG** on selling its A-Class business centre to the Moscow Region Government; **X5 Retail group** on acquiring a supermarket chain spanning a number of Russian regions.
