

## Dentons' Russia Tax and Customs practice enters Tier 1 ranking of World Tax 2017

**Moscow, 19 October 2017** – Dentons' Russia Tax and Customs practice has entered the Tier 1 ranking of *World Tax* 2017.

*World Tax* is *International Tax Review's* directory to the leading tax advisory practices, including law and accountancy firms, around the world. In compiling the ranking *World Tax* recognizes the outstanding achievements of tax experts for the past year, as well as client and colleague reviews of their work. Tier 1 firms are the 'go-to' firms in their jurisdiction and are praised by taxpayers and peers alike as market leaders in all key areas of tax: planning, transactions, transfer pricing, indirect taxes and litigation. They have specialists working with clients in all industries, and this is reflected by the size, spread and quality of transactions detailed in the questionnaires. You can see the complete list of ranking participants on the official site of [International Tax Review](#).

Dzhangar Dzhachinov, partner and head of Dentons' Russia Tax and Customs practice said “*We are very glad that World Tax has ranked our team's results so highly! In 2017 we were joined by ten new and very talented tax practitioners who focus on such areas as international taxation, tax litigation, tax accounting, transfer pricing and criminal law. We are not stopping there and plan to further develop the Russia Tax and Customs practice in order to meet our clients' highest expectations.*”

Dentons' Russia Tax and Customs practice comprises **21 specialists**. It is one of the leading practices in Russia, ranked **Band 1** by *Chambers Europe* 2017 and **#1 law firm in Tax Disputes** by *Kommersant* legal ranking 2016.

The practice provides clients with the full spectrum of **tax services**, including: international tax advice and structuring of domestic tax, advice on deoffshorization issues, transfer pricing, contract tax review, tax restructurings, tax due diligence / self-checks, tax M&A support, tax dispute resolution, domestic accounting advice, tax legislative work, individual tax planning and compliance, tax risk management, tax incentives, real estate tax, and **customs services**, including customs compliance health checks, supply chain structuring and goods import modeling with the subsequent implementation of the developed supply structure, ensuring the declaration process complies with general customs requirements, advising on the correct determination of customs value, advising on the classification of imported goods, obtaining the preliminary approval of customs authorities for the classification of goods, etc.
