**T**he impressive edifice of the Radisson Royal Hotel, Moscow is one of the legendary Stalin's skyscrapers, prompting to a genuine palace luxury behind its walls.

535 posh rooms and suites are supplemented with smart equipment, noble furniture and expensive textile. The total bliss reigns in the Royal Wellness Club offering services of the beauty and spa salon, baths and solarium, gym and Olympic size pool.

8 fine-dining restaurants, 26 boutiques, 5 yachts-restaurants alongside art-objects: diorama of Moscow, picturesque plafond, over 1200 paintings and 57 sculptures of the Soviet period...

**S**ufficient even for monarchs.
