

## **DECLARATION OF RECOGNITION AND SUPPORT OF THE CHARTER OF THE GOOD FAITH FOREIGN TRADE PARTICIPANTS**

We, representatives of Association of European businesses, recognising the need to:

- Develop a common position on strict adherence to Russian laws when carrying out foreign economic activities and make it available to the widest possible range of entrepreneurs;
- Implement anti-corruption programmes and other corporate policies designed to fight corruption in foreign economic activities;
- Exchange experience in counteracting and preventing unfair practices in foreign economic activities, and for this purpose hold joint meetings, conferences, seminars, and other public events;
- Ensure that the current policy of counteracting unfair practices in foreign economic activities is made available to the general public;
- Assist and support the customs authorities in identifying and investigating cases of unfair practices in foreign economic activities;

**Support** the Charter of Responsible Participants in Foreign Economic Activities designed to implement the initiatives that are intended to establish fair practices in foreign economic activities, **share and accept** its objectives and principles.
