

Press Release

Natalia Bulygina joins Dentons' transfer pricing team

Moscow, October 2017 – Natalia Bulygina has joined Dentons' Moscow office as a transfer pricing consultant of the Russia Tax and Customs practice. Before coming to Dentons Natalia worked at KPMG.

Natalia focuses on transfer pricing projects and has extensive experience preparing and conducting full-scale comparative studies to justify the prices of leading companies in the pharmaceutical, chemical, processing and a number of other industries, and experience preparing transfer pricing documentation for different types of transactions, including service transactions.

Natalia has also participated in projects involving analysis and identification of companies' transfer pricing risks, and development of strategies to mitigate those risks.

Dzhangar Dzhachinov, partner, head of Dentons' Russia Tax and Customs practice said: *"We continue to build up our transfer pricing team. Natalia's experience preparing and conducting full-scale comparative studies to justify prices and prepare transfer pricing documentation will be very useful for our clients. The Firm's transfer pricing practice was recently enhanced by Valentina Shapiro of KPMG and Maria Karmanova of EY joining Dentons. Today our team is staffed by lawyers with impressive work experience in transfer pricing in both Russia and around the world, which makes Dentons one of the leading law firms providing services in this area in Russia."*

Dentons' Russian Tax and Customs practice comprises **21 specialists**. It is one of the leading practices in Russia, ranked **Band 1** by *Chambers Europe* 2017 and **#1 law firm in Tax Disputes** by *Kommersant* legal ranking 2016.

The practice provides clients with the full spectrum of **tax services**, including: international tax advice and structuring domestic tax, advice on deoffshorization issues, transfer pricing, contract tax review, tax restructurings, tax due diligence / self-checks, tax M&A support, tax dispute resolution, domestic accounting advice, tax legislative work, individual tax planning and compliance, tax risk management, tax incentives, real estate tax, and **customs services**, including customs compliance health checks, supply chain structuring and goods import modeling with the subsequent implementation of the developed supply structure, ensuring the declaration process complies with general customs requirements, advising on the correct determination of customs value, advising on the classification of imported goods, obtaining the preliminary approval of customs authorities for the classification of goods, etc.
