In2Matrix is delighted to invite you to a webinar on September 30, 2020 (Wednesday) at 3PM (UTC+3 Moscow time zone)

COVID-19 has brought an enormous set of challenges to almost everything and everyone.

As any other industry, medical insurance for employees is rapidly adapting to the current circumstances and new trends already developed.

This free webinar will give insights to recent trends in healthcare insurance and occupational wellness in Russia and Europe, as well as provide practical tools to health insurance cost optimization & cost reduction and emphasize the power of claims data.

We will also look into new trends and perspectives of Telehealth which is in demand more than ever during the coronavirus crisis.

In addition, we will provide Job market overview & salary survey from one of the leading recruitment companies and entrenched in the market of Russia and Kazakhstan.

Webinar's program:

01/ 'Health insurance and wellness in post pandemic market' - Gerard Baltazar, In2Matrix, The Netherlands

02/ 'Private health insurance in Russia: trends and impact of Covid-19 pandemic' - George Dimitriou, MetLife Russia, The Russian Federation

03/ 'The Eco-System of a Private Health Insurance' - Alexander Denton, AXA Global Healthcare, England

04/ 'Telehealth. Trends and perspectives in the time of COVID-19 pandemic' - Marianna Imenokhoeva, Linktomedicine, Romania

05/ 'Job market overview & salary survey' - Michael Germershausen, Antal Russia, The Russian Federation
