** Pravo.Ru-300 is the most comprehensive and consistent Russian survey of the legal services market and a valuable tool for courts in assessing the proficiency of litigators. The rating is based on the 2015 data, except the lawyers' professionalism rating, which was evaluated as of August 2016. The rating system has been changed significantly in 2016; in particular, new industries were added for evaluation; a quorum criterion was introduced for the areas of law, and a mandatory survey of every law firm's clients to assess their satisfaction with the quality of services rendered.*
