

Legal Regulatory Guide Russia.

Q1–Q2 2024

Dear Readers,

In an ever-evolving regulatory landscape, staying informed is paramount for businesses operating in international markets. We are pleased to present our latest Legal Regulatory Guide, a continuation of our longstanding tradition of providing comprehensive regulatory insights tailored to the needs of our clients.

We trust that this guide will serve as an invaluable resource for international companies operating in Russia, empowering them to make informed decisions in a complex regulatory environment.
