

VEGAS LEX EXPERTS TO SPEAK AT RUSSIAN BUSINESS WEEK 2017

On March 13-17, 2017, VEGAS LEX will act as a partner of the 10th Russian Business Week sponsored by the Russian Union of Industrialists and Entrepreneurs (RSPP), one of the main annual business events in Russia.

On March 14, 2017, the VEGAS LEX law firm will support the [environmental forum Year of the Environment in Russia: Government and Business Objectives](#), held as part of Russian Business Week 2017.

On March 15, VEGAS LEX will also be a partner of the conference, Transition to Best Available Technology in Energy Sector: Government and Business Objectives, where VEGAS LEX experts will speak. Managing Partner [Alexander Sitnikov](#) will take part in the RSPP conference on March 16.

During the Russian Business Week, representatives of public authorities and the business community will discuss issues of the tax, financial and banking systems, the regulatory and licensing activities, problems in industrial ecology and the best available technologies in the energy sector, cooperation of business and government in the interests of social development, and integration within Greater Eurasia. The participants will also discuss the new conditions of operation where the state and private business will work in the coming decades, and the qualities that government officials and large company executives will need to meet the challenges of the future.

The Russian Business Week participants will include Deputy Prime Ministers, representatives of the Presidential Executive Office and the Federal Assembly of the Russian Federation, heads of key federal ministries and agencies, members of the RSPP Bureau, heads of regional offices and industry associations of RSPP, the business community, industry and business associations.

The winners of RSPP's 2016 national competitions will be announced at RBW 2017, including "Russian business leaders: trends and responsibility" and the business journalism competition*.

The RSPP Russian Business Week is a central platform for constructive interaction between the government and the business community. VEGAS LEX is the traditional partner of the event and helps organize several conferences and roundtables on its program.
