

# Industry of Krasnoyarsk region

**KRASNOYARSK  
REGION**

THE GOVERNMENT

1

15%

---

of Russian forest area  
(1 146 300 000 hectare)

11,7%

---

of the total allowable cut area of  
the Russian Federation

158 700 000 hectare

forest area of Krasnoyarsk region

Allowable cut is estimated at

82 000 000 M<sup>3</sup>

This is the largest allowable cut in  
the Russian Federation

1500

The infographic features two overlapping circles. The left circle is white with a thin white border and contains the number '1500' in white. The right circle is orange with a thin orange border and contains the text '>80' in orange. A horizontal orange line connects the two circles, passing through the middle of the number '1500' and the text '>80'. The background is a dark, textured image of a forest.
