

LAUFEN

Bathroom Culture since 1892  www.laufen.com

Roca

Roca Group is a world leader in the conception, design, manufacturing and sale of products for the bathroom space. Currently it has 78 production centres and is present in over 170 countries across five continents. Roca leads the Russian market of bath spaces and moreover it is the first Spanish company in investment volume terms.

In the Russian and CIS markets Roca Group presents several brands in different segments – a premium trade-mark LAUFEN (Switzerland), Roca brand itself (Spain) that offers bathroom products in medium and high segments. Furniture for bathroom - brand Aquaton. In economical niche - Jika (Czech Republic) and in the Russian trade-marks Santek and Santeri. Roca has 7 factories of sanitary ware in Russia.

Roca Group in Russia allows 10% corporate discount for AEB members for all Laufen and Roca brands' products. Please visit these web-sites to find more information of products:
