Pepeliaev Group has been named one of the Best National Law Firms in international commercial arbitration in the CIS

4 March 2014, Moscow

According to Legal Insight, Pepeliaev Group is one of the Best National Law Firms in international commercial arbitration in the CIS. The research was carried out together with the Russian Arbitration Association and CIS Arbitration Forum, while Deloitte counted the votes.

A nominee's score was based on the number of votes for that nominee in an online poll and expert interviews with partners of law firms, heads of legal departments of leading companies and arbitrators. On the whole, 21 national law firms (from Russia, Belarus, Kazakhstan and Ukraine) were named within the scope of this research.

Pepeliaev Group's dispute resolution and mediation practice provides services connected with protecting the interests of its clients before international commercial arbitration tribunals. The lawyers from Pepeliaev Group provide support for litigation and arbitration abroad and also ensure that rulings of foreign state courts and arbitral awards are recognised and enforced in Russia.
