Allianz Global Corporate & Specialty SE

Our vision

AGCS was set up in 2006 to bring together Allianz's large corporate and specialty business into one unified global company under a shared **vision** and coordinated management:

“To be the leading global provider of corporate & specialty risk solutions, meeting clients’ individual needs with our employees’ unequalled industry expertise and knowledge.”

To achieve this vision, we have built our business around five core elements:

**A truly global
culture and
approach**

**Developing
in-depth
expertise**

**Offering the
strongest
network**

**Focusing
on
excellence**

**Backed by
strength and
long-term
commitment**

Established financial security through diversity

Gross written premiums 2014 by business line

Gross written premiums 2014 by region (excl. ART)

- Total combined gross premium 2014 (incl. ART): €5.4 billion
- Significant underwriting capacity for large corporate risks worldwide
- A diversified business portfolio – both by segment and geography

Benefits of such diversity include lower capital requirements and smoothed performance – ensuring sustainability and stability for our clients.

International Insurance Solutions (IIS)

Allianz Global Corporate & Specialty has an established reputation as a leading provider of international insurance programs – bespoke insurance solutions for clients with international risk exposures.

- Providing cover for risks in more than one country via a Master Policy, plus locally admitted policies placed with Allianz companies or our partners
- Difference in Conditions/Difference in Limits (DIC/DIL) cover provided by the Master policy to eliminate gaps in coverage
- Information about global exposures is coordinated centrally
- IIPs enable clients to benefit from central coordination and harmonized global cover across all locations - all managed via the Allianz network
