

Risks&Claims 2023

WEBINAR , INSURANCE

24 May 2023, 11:00 - 13:00 UTC +03:00

On 24 May 2023, SEAMLESS Legal, Russian National Reinsurance Company and the National Association of Insurance Adjusters will host a joint webinar of the Risks&Claims series on the electricity grid facilities insurance.

The webinar will be hosted by:

- Leonid Zubarev, Senior Partner, SEAMLESS Legal
- Andrey Bogachev, President, National Association of Insurance Agents
- Ivan Balashov, Risk Engineer, Engineering Centre, Russian National Reinsurance Company
- Vladimir Grachev, Chief Risk Engineer, LEBB
- Alexey Lebedev, General Director, Matthews Daniel (RUS)
- Sergey Vasilenko, Director of Claims, LEBB Ltd.

The experts will consider not only the assessment of risks at the pre-insurance stage, but also the most frequent losses. We will talk about the legal peculiarities of relations and their impact on the settlement of such losses.

The number of places is limited. The working language is Russian.
