St. Petersburg International  
Economic Forum  
Foundation

The conference's main objective is to identify effective solutions in the area of legal regulation and implementation mechanisms for investment activity in a crisis-ridden environment. The conference sessions will discuss a wide range of matters related to raising and supporting investment. The conference's motto – Choosing Russia! – is a key marketing element, positioning Russia as an attractive investment target in the competitive global environment.

All recommendations made by this year's conference participants will be systemized and communicated to government bodies and investors.

Given the importance of the event, we invite you to participate in the Conference.
