Egorov, Puginsky, Afanasiev & Partners experts joined the Commission on the Economics of Climate Change and Sustained Development

FEBRUARY 2018

The Commission has been formed as part of the Russian National Committee of the International Chamber of Commerce - the World Business Organization (ICC Russia). Senior associates Anastasiya Boytsova, Deputy Head of Environmental and Technical Regulations Practice, and Julia Filatkina, joined the Commission.

Julia Filatkina took part in the Commission's key-note meeting and was elected as member of the working-group on the development of climate finance glossary.

The Commission was established as a communication platform for business, authorities and the expert community to ensure comfortable facilities for low-carbon "green" development, in particular, the creation of a market for "green" financing and innovative production in Russia. Sergey Chestnoy, Advisor to the General Director of UC RUSAL, was elected Chairman of the Commission.
