

MOSCOW LEGAL STORIES

An Original Bilingual Audio Walk with EPAM Law

For Russian Arbitration Congress 2026, lawyers from EPAM Law's International Arbitration and Litigation Practice have created something special - an original bilingual audio walk through Moscow, a city they know and love.

Along the way, EPAM Law's lawyers will be your guides, bringing to life the stories of famous places and celebrated trials, brilliant courtroom speeches and remarkable figures - from legal scholars and advocates to architects and entrepreneurs.

Each stop reveals the story of someone whose ideas, decisions and actions helped shape not only Moscow's cityscape, but also the country's legal culture.

The walk has no fixed date or time. Choose a time slot that suits you, put on your headphones and enjoy the rare luxury of having nowhere else to be.

Your guides:

- Evgeny Rashchevsky, Partner and Head of the International Arbitration and Litigation Practice, EPAM Law
- Ilya Nikiforov, Managing Partner, EPAM Law
- Vladimir Talanov, Partner, International Arbitration and Litigation Practice, EPAM Law
- Natalia Soldatenkova, Senior Associate, International Arbitration and Litigation Practice, EPAM Law
