

Saint-Petersburg International Gas Forum 2021

Session: International cooperation towards the carbon neutral energy supply

*October 7, 2021, St. Petersburg, Expoforum
14:00 – 16:00, hall B2*

Questions for discussion:

- Gas as a key source for energy transformation. Experience of European countries in transforming the energy system to CO2 neutral energy supply.
- New transportation routes. Security of gas supply to Europe.
- From gas to hydrogen. How will a global energy mix change by 2050?
- Hydrogen – market of producers. How will it be transformed into a market of consumers?
- Green agenda and sustainable development trends: what is the space for the gas industry?
- Natural gas industry development within the greenhouse gas emissions reduction's trend.

Moderator:

Marcel Kramer, President, Energy Delta Institute
