

## Strengthening the banking and finance practice at Eversheds Sutherland Russia

On 1 December 2020 in Moscow, Dmitry Gladkov joined Eversheds Sutherland's Russian team as Of Counsel in our banking and finance practice.

For over 20 years, Dmitry advised Russian and international clients on banking and financial law, corporate finance, restructuring debt, as well as on questions related to the formation and administration of venture capital and private equity investment funds. Dmitry is an expert on the stock market who also has comprehensive experience managing crypto-currency projects and other endeavors based on blockchain technology.

**Victoria Goldman**, Managing Partner at Eversheds Sutherland Russia expressed her enthusiasm for the new arrival by saying, "We are delighted to welcome Dmitry to our team. We are highly confident that our clients will appreciate Dmitry's professionalism and wealth of experience in our banking and finance practice. The strengthening of this practice is an integral part of the development strategy of our firm. Regardless of the obstacles which we all have faced in 2020, Eversheds Sutherland continues to reinforce its position in the Russian market by providing complex legal services to our clients. We wish our new Of Counsel success and believe that together we will reach great new heights".

**Dmitry Gladkov** in turn responded, "I am very glad to become a part of the team at Eversheds Sutherland Russia and take part in the development of the banking and finance practice here. In recent years, the Russian legal market has gone through uncertain and tough times, however, Eversheds Sutherland continues to prove that even in times such as these, it is possible to grow and develop by providing an incredible level of effectiveness and innovation which confirms their leadership in the market of legal services. Over many years, I have been working with some partners from Eversheds Sutherland whose professional skills, rich experience and positive outlook I highly value. I hope that I can make my own contributions to the banking and finance practice at Eversheds Sutherland".
