Data on Automobile Website Incorrectly Attributed to AEB

Today, the website Autonews.ru published incorrect information on data from the AEB Automobile Manufacturers Committee on the sales of passenger cars and light commercial vehicles in Russia during the month of September, 2014. The information distributed was neither correct nor official. AEB is in no way associated with the data in question. Official press releases on sales results are published on the 6th working day of the month with the exception of January when the press release is issued after publication of results for the year at the AEB Automobile Manufacturers Committee's annual press conference.

The AEB Automobile Manufacturers Committee press release with results on sales of light vehicles and light commercial vehicles in Russia for September, 2014 will be published on the 8th of October, 2014.

Please be advised that AEB does not provide preferential treatment to any media outlet and all information from press releases is distributed at the same time and in one mailing. Media access to AEB press release information is equally open for all and originates only from the organization's Press Secretary.
